About us:

Institute for Infrastructure Asset Management (IIAM)

Institute for Infrastructure Asset Management (IIAM) is a non-profit professional body committed to advancing asset management knowledge and competency. IIAM aims to create a comprehensive understanding of asset management towards international practices to administrate infrastructure asset management knowledge and resources.

Kolej IEWM

Kolej IEWM was established in 2013. In 2015, Kolej IEWM received approval from the MOHE and was accredited by MQA to conduct a wide range of courses in the field of infrastructure, energy, environment, water and management. Kolej IEWM is dedicated to fulfilling sustainable human capital gap in infrastructure construction and technology.

Infrastructure University Kuala Lumpur (IUKL)

Infrastructure University Kuala Lumpur (IUKL) is the foremost infrastructure university in Malaysia. IUKL's primary emphasis is the integration of both hard and soft aspects of infrastructure. IUKL aspires to produce technopreneurs and skilled manpower with outstanding communication, technological and managerial skills.
